

## **Boredom Prison. ( Krabbers arrangement )**

[G]I hear that train song coming, they're playing it again  
Seems I've been playing it [G7]since I don't know when  
I'm [C]bored of Folsom Prison and it's getting on my  
[G]nerves  
And if [D7]I play it one more time I may just go [G]berserk

[G]When I was just a baby my mama told me son  
Don't play Folsom Prison or I'll [G7]have to get my gun  
Well she [C]shot a man in Blackpool before the second  
[G]verse  
It may [D7]be an easy 12 bar but there is nothing [G]worse

[G]I bet there's some folk playing in some ukulele bar  
Along with Bring Me Sunshine, Sloop John[G7]B and Ring  
of Fire  
Well I [C]know it's fun for strumming, it's in an easy [G]key  
But that [D7]train song keeps on coming and that's what  
tortures [G]me

[G]Well if I tore it from my songbook  
If I threw it in the trash  
It'd still remember word for word the [G7]songs of Johnny  
Cash  
They've [C]scarred my brain forever, they're in there 'til I  
[G]die  
Oh that's [D7]why when I hear that train song  
I hang my head and [G]cry
