

That's What I Get.

BR5-49

Intro: **G/// A/// D///**

Well it's been [D]years since I [D]made all the rounds
And [D]closed up all the honky Tonks in [A]town
I [A]just got used to being on my own
[A]Waiting for no one to call my [D]own
But now the hands of fate have laid a card on me
A [D]winning hand I didn't want to [G]see
[G]No one I could [Gm]blame, I [D]wanted in this [B7]game
But now I'm [G]right back where I [A]never thought I'd [D]be

*That's what I [A]get for falling once [D]again
You made me for[A]get with no regrets what I knew back [D]then
Well I [G]thought I knew it [A]all I [G]swore I'd never [A]fall
But [G]here I go [A]again, that's what I [D]get*

Now I [D]resign myself to you and I don't care
You make me feel like I'm a million[A]aire
Because of you I gave that wheel a spin
Even though I know the house will always [D]win
And now the hands of fate have laid a card on me
A winning hand I didn't want to [G]see
[G]No one I could [Gm]blame, I [D]wanted in this [B7]game
But now I'm [G]right back where I [A]never thought I'd [D]be

Well I [G]thought I knew it [A]all I [G]swore I'd never [A]fall
But [G]here I go [A]again, that's what I [D]get*
