

## SMOKE ALONG THE TRACK

[G] one day the train was passin' I [C] caught it comin' [G] by  
To look this old world over under God's blue [D7] sky  
My [G] darlin' stood there weepin' as [C] I was lookin' back [G]  
I kissed my baby cryin' in the [D7] smoke along the [G] track. (whistle)

[G] Goodbye so long [C] until I come back home you'll be my [G] dream  
Goodbye so long there's lots of places that I've never [D7] seen.  
I'll [G] always be a drifter but [C] I'll be driftin' [G] back  
To where I left you cryin' in the [D7] smoke along the [G] track. (whistle)

[G] I like to keep on goin' it [C] helps me when I'm [G] blue  
I get the urge to travel that's all I want to [D7] do  
I [G] know I just can't settle [C] down because I like [G] to roam  
And when I hear that whistle blow (whistle) [D7] I've gotta move [G] along.  
(whistle)

Goodbye so long [C] ther's something down the track keeps [G] callin' me  
Goodbye so long I guess that's just the way I'll always [D7] be  
So when I get that feelin' don't [C] try to hold me [G] back  
I'd only leave you cryin' in the [D7] smoke along the track. (whistle)

I know my baby loves me [C] I love my [G] baby too  
But she don't understand me when I'm feeling [D7] blue  
And [G] when you hear that whistle blow (whistle) I [C] hurry home and [G]  
pack  
And leave my baby cryin' n the [D7] smoke along the [G] track. (whistle)

Goodbye so long I [C] hate to leave you but I've got [G] to go  
Goodbye so long it's comin' I just heard that whistle [D7] blow (whistle)  
It'll [G] be here in a minute you'll [C] wave and I'll look [G] back  
I'm gonna leave you cryin' in the [D7] smoke along the [G] track. [G X8 (whistle  
X3 fading)
