

Sweet Sweet Smile

Carpenters

[C]You're always in my heart from [Am]early in the morning 'til it's dark
I gotta [F]see your sweet sweet [G7]smile every [C]day
[C]When I wake up in the morning and I see you there
I [Am]always whisper a little prayer
I gotta [F]see your sweet sweet [G7]smile every [C]day

*I gotta [Am]know that you love me. and that you want me.
And that you'll always be there
I gotta [F]know that you [G7]care
And I gotta [Am]feel your arms around me. and that you need me.
And you always be there
I gotta [F]know that you [G7]care*

[C]If my times are bringing me down
[Am]You're the only one that I want around
I gotta [F]see your sweet [G7]smile every [C]day
[C]And if I'm all strung out
[Am]You're the only one who can straighten me out
I gotta [F]see your sweet sweet [G7]smile every [C]day

*I gotta [Am]know that you love me. and that you want me.
And that you'll always be there
I gotta [F]know that you [G7]care
And I gotta [Am]feel your arms around me. and that you need me.
And you always be there
I gotta [F]know that you [G7]care*

Instrumental: Verse
