

Don't You Wish it Were True John Fogarty 2007

[C]

[C] I dreamed I walked in heaven just the other night,
there was so much beauty, [C7] so much light
Don't [G7] you wish it was true; don't you [C] wish it was true?

An [C] angel took my hand, said you don't have to hurry,
you got all the time in the [C7] world, don't worry
Don't [G7] you wish it was true; Lord, don't you [C] wish it was true?

But if [F] tomorrow every body was your [C] friend,
anyone could take you [G7] in, no matter what or where you've [C] been

But if [F] tomorrow every body had e[C] nough,
the world wasn't quite so [G7] rough Lord, don't you wish it was [C] true?

He said [C] the World s gonna change and it's starting today,
there'll be no more [C7] armies, no more hate
Don't [G7] you wish it was true; don't you [C] wish it was true?

And [C] all the little children who live happily,
there'll be singing and laughter, [C7] sweet harmony
Don't [G7] you wish it was true; Lord, don't you [C] wish it was true?

But if [F] tomorrow, everybody under the [C] sun,
was happy just living as [G7] one; no borders or battles to be [C] won

But if [F] tomorrow, everybody was your [C] friend,
happiness would never [G7] end, Lord, don't you wish it was [C] true
Alright!
